

PROGRAM INFORMATION

Legislative changes, export opportunities, taxes, and technological advances all play a huge role in poultry and egg companies' financial management. Combine these challenges with the daily activities involved in reporting and cybersecurity protections, and you get a very complex role for financial managers. USPOULTRY's 2024 Financial Management Seminar, developed by poultry and egg industry financial professionals, will give you the necessary tools to help keep your company operating efficiently while feeding the world.

It's very important to stay informed of today's economic environment. Register today . . . Don't delay!
